A man is sitting on a large, dark rock in a dimly lit environment. He is wearing a light-colored, short-sleeved button-down shirt, light-colored trousers, and dark sneakers with white soles. He has a watch on his left wrist and is resting his chin on his left hand, looking off to the side with a thoughtful expression. The entire scene is bathed in a strong, warm red light, creating a dramatic and moody atmosphere. The background is dark and out of focus, with some blurred light spots.

CHANCE

**YOU'RE CLEARLY
NOT ABOUT
BEING CLASSIFIED.
WHAT MAKES
YOU DIFFERENT
THAN OTHER ARTISTES?**

We think what makes us different is the ability to master a unique mix of patois & rapping. Yeah, we know other people have tried it, but the idea we have to make it different, to set us apart, will distinguish us amongst the rest.

A man with short dark hair is shown in a meditative or prayerful pose, kneeling with his hands pressed together in front of his face. He is wearing a dark, patterned t-shirt and light-colored shorts. A glowing, ethereal sword is positioned above his head, with several curved, glowing lines radiating from it, suggesting motion or energy. The entire scene is bathed in a deep red light, creating a dramatic and intense atmosphere. The background is a blurred, textured wall.
